how to use :

Definitive Lip Renewal Treatment features a rich texture soothing lips with a nurturing veil of hydration, keeping lips calm and comforted even in challenging conditions.

Dispense product from the top of the tube by gently twisting the collar of the applicator before gliding across the lips.

Mornings and/or evenings, and as needed throughout the day to protect lips and restore hydration.

Benefits

Restore fuller lips by regenerating structural tissue

Restore volume by supporting the synthesis of new collagen

LipSculpt Complex increases Type 1 Collagen synthesis by up to 400%

Reduce lines and reveal a smoother appearance

Active ingredients refresh the surface layer of delicate lips while strengthening structural tissue

Seal in moisture and restore hydration

Create a nourishing protective barrier with a rich, comforting balm texture
