

LUXURIANT

LUXE

01
Your Skin, Our Priority

Our Belief

Skincare
is
essential.
Makeup
is a
choice.

LUXE ~

Dont
underestimate the
power of organic
cleansers

You might fall in love
with its authenticity

Lets make
unexpected the
reality of
everyday

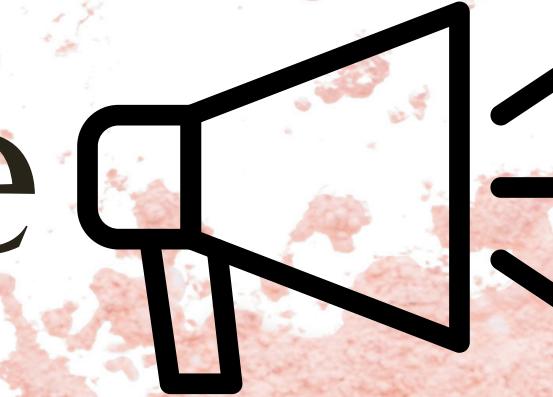

luxuriant luxe wont give
you the false expectations
from the product your
natural skin will be
enhanced and become
more like what you want .

03

LUXE~

Influence

04

Passion turned into work

Two people who got influenced by the ancient skincare heritage from the 1st century and made it time travel to 2023 for you.

05

Try to remove the foreshadowing of chemicals and artificial fragrances and revitalize organic and healthier skincare products.

Our Vision

Must-haves in every skincare shelfe

Influenced by royal heritage cleansers with vast varities for both men & women with special editions like 24kt gold ,bridal and much more .

Brightening- moisturizer

Made with pure safe-to-use ingredients this formula won't harm your natural skin it will only help you get rid of those dark spots, tan, open pores, and small bumps and will make your skin outrageously flawless like you dreamt of.

Gently removes all the tan, dark dull dead skin with its kojic acid formula

06

07

Our variety

Removes excess dirt and oil and corrects the pH balance of your skin

Oily skin

We know how energy taking it is to search for new products that can give you a clean matte finish after every wash with a splash of lemon, saffron, rice & and other skin-changing ingredients you can achieve your goal .

Normal skin

For every normal skin you need something subtle and skin-brightening formula for your everyday youthfully splashing beauty with 10 + ingredients

Dry skin

Winters are coming and we are very well aware of your concerns for the feather-soft glowing moisturised skin we have saffron and almond oil enriched cleanser with more of other ingredients to help you achieve your goals

09

Oily Skin

Reduces oiliness, makes skin bouncy, reduces dullness and dead skin cells, bringing out fairer and healthier skin.

Stimulates drainage of sebaceous glands and helping reduce bumps and sebum accumulation.

Tired of trying to find a product for your skin which is organic , beneficial and chemical free ?
Dont worry we got you covered !!

Filled with natural aroma and natures natural fragrances with no added chemicals and parabens

10

Tried of rubbing oils and moisturisers all over your face & body ?
Dont worry we have a solution for that too.

Dry Skin

Our body clenser is dedicated to rejuvenate and make your dry skin ,soft , bouncy and suple again.

Our cleanser contains essential nature sourced oils which are easy to absorb by your skin which softens by penetration into the dermis and making it softer and smoother.

11

Dont worry if you dont have either the oily or the dry skin ; we got you covered too.

Normal Skin

A perfect balance of essential oils and natural smootheners helping you in simplifying and making your bathing and skincare experience organic and fun.

Quick hack for you ; if you dont know your skin type try our cleanser for normal skin its best of both worlds and best for you.
